

JOB POSTING

Marine Mechanic

DESCRIPTION

Riverview Cottages, established in 1971, is a family-owned business which offers cottage rentals, a full-service marina, winter storage, shrink wrapping and many other services. We are located on the beautiful Upper French River and we are currently looking for a full time, seasonal Marine Mechanic to join our team. Our marina is busy from April to mid November and in addition to the below skills and qualifications, we require a Marine Mechanic with a positive attitude, strong work ethic, the ability to work well with others, in a fast-paced environment as well as work independently with minimal supervision.

Under the direction of the owner/operator, main duties the Marine Mechanic will be responsible for are;

- inspecting and testing engines; diagnose faults, adjust, repair or replace mechanical and electrical systems,
- performing scheduled service and maintenance,
- diagnosing and repairing with accuracy and efficiency,
- managing the parts inventory,
- maintaining a clean, organized and safe shop,
- maintaining accurate time records on work orders,
- conducting themselves in a professional manner at all times,

KNOWLEDGE, SKILLS & QUALIFICATIONS

Marine Mechanic candidate **must:**

- have a Marine Mechanic Trade certificate or diploma,
- have a Valid G Driver's License,
- be able to lift and carry up to 50 lbs and,
- be fluent in English.

Marine Mechanic will also **have the ability to:**

- accurately quote jobs;
- troubleshoot, diagnose and repair equipment with accuracy and speed,
- work effectively & cooperatively with other team members,
- use a computer for electrical diagnostic software systems,
- trailer boats and water crafts safely and,
- to work some weekends.

SALARY: Wages will be based off of knowledge, work experience and certifications.

DURATION: This is a full-time, seasonal position from April- mid November (40hrs/week)

HOW TO APPLY: Individuals are invited to submit a cover letter demonstrating how they meet the criteria along with a current resume to:
